“ My Grandma was always Near and Dear to my Heart... I love her so much and will really miss her and not being able to hear her Wonderful voice... I always loved hearing her get cheery when I called her and she would say “I love you Honey” so many times during our conversation, it melted my Heart every time... As a child I have so many fond memories of my Grandma and I will always keep them close to my Heart... I remember the last time I saw her and she hugged and kissed on me during my entire visit... I also remember crying when I left her room and so did she... I believe we both knew that would be the last time I would see her until we meet again in Heaven someday... The way I last saw her is what I want to remember of my Grandma... She will be missed and I will see her again someday...

Love,

Richard O'Shields Jr.
