Dewayne grew up in the Stratford area, and left school after completing the 8th grade so he could help work on the farm. His limited education did not hold him back. “ Jeremiah Hinkle is married to my sister, Rachel. Dwayne was always just "Pawpaw" to my children, because his friendly character seemed like he could be everyone's "Pawpaw!" He (and his wife) was always friendly, and would open their home to Jeremiah & Rachel's overflow company. We were always told to "come on down if ya'll need a bed!"

“ Cindy would tell me that not only was her dad one of the most hard working people she ever knew, & when he wasn't outside working, playing cards was a favorite past-time & did so with great enthusiasm!....(no time for chit chat while playing cards 😊) Cindy always looked forward in playing cards with her dad, mom & the family-countless Times !! Just one of the many wonderful memories 😊
