“ *Mildred, my heart aches for you at this very hard time of your life. Orin will definitely be missed. Even though our lives took us in different directions, I always knew he was there and I always knew he was my friend. The last time he called here and I talked to him on the phone, he told me you were an angel. He loved you very much. Even though he is gone, you will always have good memories to bring you comfort.*

*I pray for extra strength for you now.*

*Love, Dwade*
