“ *There are so many memories but my favorite is going camping with them as teenager. And Pat would always make the camping spot, wherever it was, she made it her very own. By making her own patio area outside the camper and she would always put up strings and strings of lights. She would cook most every meal even at the lake. Pat made the best pot of goulash ever. She always had a hug or a smile when you needed it most. She was so much to so many she will never be forgotten, but she will be missed every day by all of us. Love Pam, Amber, & Nathan*
