“ I am so sorry for the passing of your mom and grandma. I loved my precious cousin, Patty. I will certainly miss our long phone conversations the past few years. We had so much to share. I prayed with her in August over the phone and I have no doubt that she is celebrating today in her heavenly home with our Lord Jesus and what a family reunion she has entered in to! May God fill your broken hearts with his love, peace and comfort. Your cousin, Linda Knowles Evans, Midland, Texas

“ I have fond memories of my cousin, Patty, growing up and enjoying fun family times together. She was a special person who had a heart of gold and would do anything for anybody. She loved God and has left her earthly home to have an amazing reunion in heaven with those who went on before her. I pray that God will wrap His comforting arms around all of you. Cherish the memories that make you smile.
