“ *I will always remember how Mrs. Green made me feel. She had some clothes she wanted to donate for The Closet a couple of years ago. I went to her home to pick them up. She had no idea who I was, but she offered me into her house. We had a lengthy conversation, I told her who I was and my maiden name, she stated she knew my mom. She will be missed. May God comfort you during this time. Sharon Thomas*
