I'm so blessed to have been able to meet Mrs Pat. Having her as a friend the past 7 years has been such a blessing to me and my family. I'll forever remember her sweet sparkly self. She always checked on me and my daughter when we were sick or down, even when she wasn't doing well herself. Always worried about everyone else and wanted to know they were okay. I'll miss our girl talks and nail days. What a void she leaves with her exit from this world. But what a joyous entrance I know she's made into heaven.

I'll always love her.

“ I have so many happy memories! Weekends at the lake, at the race track, staying with Deana and going to the swimming pool, and the best July 4th block party I've ever been too. I will miss looking at her beautiful face even on FB and seeing my precious grandma and mother. Love and prayers for you girls 💜

I have so many memories ! Pat and I grew up together all our lives . Cousins but always called each other sisters. I feel I lost part of my heart. She was so special and loved by everyone. Beautiful lady!
