“ Condolences and prayers for Paula's family and friends. The world was a much better place with Paula in it. She was kind and sympathetic toward others. She had the biggest heart and always had a kind word. I have been blessed to have known her and her family.

Our condolences go out to the whole Paula Bruce family. My dad Don has been friends with Bob and Paula for many decades, going back to the late 60's when dad worked for Bob in the shop at Bruce Trucking. May the lord look over you and keep you during this sad time, god bless.
