

Pauline Winkleman

July 18, 1923 - April 15, 2022

Mrs. Winkelman was a resident at Blue River Healthcare in Tishomingo, OK for the last 11 years.

She enjoyed playing bingo, listening to Buddy Parks' Band and other musicians that would come to entertain the residents. She loved attending resident parties, wine and cheese socials, happy hour, and she loved when the local schools would bring students to entertain. Her favorite color was red. She was always happy to have her hair, make-up, and nails done, visiting with others, and referring to the staff members as "baby." She always had a smile on her face and made many friends throughout her time living at Blue River Healthcare.

She will be greatly missed by the staff and residents.

No services are scheduled. Arrangements made under the direction and care of DeArman-Clark Funeral Home.
