“ *Perry was a kind, considerate, and loving man, that was considered a good friend by my family. Always had a smile, and quick with a kind word. When he worked at Byng School Perry touched the lives of so many children that enjoyed him so much. My children could not wait to come home and tell me all about him, and that "Mr. Perry" knew me. Made me feel like I knew a star, and I did! Godspeed Perry, tell everyone I said hello, save me a seat in paradise, and I'll see you when I get there.*
