“ I met Phil when I came to Stratford in 1974. He always made me feel welcome and part of the group. The stories about him and all of the group of friends he ran around with, would get told many times, sometimes some would see it differently than others! When they got together there was always lots of laughter. He had a quiet and kind nature about him. I lost touch with him in the few years but would think of him from time to time and it would always be happy and kind thoughts. He will be missed by many. Love, Mary (Mann) Worley
