“ *My prayers are with the entire Keel family during this time of sorrow. I remember Ilene as a ray of sunshine the days that we lived across the street from your family. Her bright smile and sweet nature made her a delight to be around even when we were all just kids. May your memories hold and keep you in these days!*

“ To Ilene's family....we grew up together. Many days we walked home from school and played in the yard while our older brothers and sisters visited. Your family shares some of our most fond memories of childhood. Ilene was always a happy, positive person when we were in school. She was a ray of sunshine I know she will be greatly missed in the community. Our prayers are with you all.
