I am the niece of this man, my uncle also my 2nd dad, I am so very proud to have been in his life with his entire family, I had many more adventures, vacations, trips and memories than most and I can truly tell you that it was most of all fun, memorable, loving, adventurous and the most amazing memories any aunt Brenda and uncle could have ever given me. I speak from my heart when I say he, along with my dad, Billy Scott were the two men I most idolized and have spent mt entire life loving and making them proud of everything they taught me. He is now, along with my dad making a special place for us all to be together again. Thank you for all the fun, good times and best memories my sweet Uncle Ralph. Love you forever. Your loving niece, Donna.
