August 18, 1966 - December 13, 2024

Randall Ray Ned of Tulsa, Oklahoma was born August 18, 1966 Oklahoma City, Oklahoma to Watson Ned and Mllie (Foster) Ned. He passed away in Tulsa, Oklahoma at the age of 58 years 3 months and 25 days.

losing his long battle with cancer surrounded by love. He spent his life working hard, treasuring friendships and having the appreciation of everything he had. He was the youngest out of his brother and sisters. His teenage years of rock n roll and great times with whom he met. He gained the dad title on September 10th 1989 to Toni Jean, who unfortunately passed a month later in the NICU. He married young and welcomed Brenda on August 11, 1990. He legally separated but lived for being a dad. On July 9th 1993 he welcomed Dakota. The greatest gifts that came out of his trials. He was a very talented wood craftsman. You name it and he could build it. Through all the trials he finally found happiness and settled down June 24th, 2000 to Sabrina. They brought each other a piece that was missing from both of them. He could make anyone and everyone laugh. You could find him at a disc golf course, fishing hole or watching his Sooners. He loved spending time with his nephews and helping his sister when he was needed. In the evening you'd find him at home rocking out, beer in hand with his dogs. If he was not active he was not living. He lived for being a dad but becoming a grandpa was something special. He fought so hard for his kids and grandkids. Know he put up one heck of a fight. Loved by many and forever "Chief"
