“ *I worked with Randy at Hames Electric starting in 1970 thru 1975. I remember you could hear Randy's voice anywhere on the job site. I saw "Randy a couple of times when he was working at the state fair, he was very, very busy but he took the time to talk and catch up on what we both had been doing for the last few years. I also saw Randy when he was working at Southwest Medical Hospital, and again we talked even though he was working on an outdoor lighting project. I enjoyed working with Randy and and glad we were friends. Rest in Peace.*

*To his brother and sister-in-law: May you find comfort in you time of sorrow.*

“ Our hearts were saddened to hear of the passing of Randy. J.T. and Randy shared many great times as they attended Sulphur High School together. The Hefner family was always special to Linda as her dad and Randy's dad both worked at OG&E for many years together. Our sincere sympathy to Randy's family and prayers for healing and comfort during the days ahead without him near.
