“ *How stunned and shocked I was when I found out that my Great Aunt had passed. Her brother Willie was my Grandfather. The last time we visited was in 2005. My Dad Bill(Willie's Son) and my Mother Carol along with my Aunt Corena(Willie's Daughter) who lives in Oklahoma....We stopped by just for a little while to see her and had a very nice visit. My Grandfather passed in 2003 and when I looked at her I saw my grandfather. To us she was always Aunt Pud. Last year I started working on my Ancestry. I have pictures of her when she was young.. Thanks to my Grandmother Bessie who kept everything. I would like to share those with you. And hopefully I can share stories that my Father has told me about his Aunt. My Great Aunt Pud was a treasure to life with such admiration and love for everyone ~ She will be missed by all ~
With Love,
