“ Their aren't any words to comfort the heartache I know all of you are feeling today. Death leaves a heartache no one can heal, love leaves a memory no one can steal. I pray God's Angels will watch over you and your loved ones always.

“ Dear Stacy and family, You have our heart felt condolences. It is so very hard to lose a parent. And really there are no words we could say that could help with the pain of this great loss. But take comfort in knowing that god welcomed him as he walked into the gates of heaven. Prayers for family. Denton and Michele Riddle
