“ *Tony, I've thought about you and prayed for you many times through the last few days. You have been a wonderful son the last several years and I know your mom appreciated it more than you will ever know. Stay strong, and keep laughing-and dancing.. :)*

“ *Rhonda and I were friends in high school. She was a good singer, a good athlete and a good friend. Hadn't talked to her since our college years, but I'll always remember Rhonda.*

“ *Rhonda and I went to high school together, and later lived together in Ada where we both worked as nurses. We had so many fun times together. We had lost touch over the years and it saddens me to hear of her passing.*
