“ I tried to call Dick this morning and found his phone had been disconnected. Fearing the worst, I checked online and found out he passed away last month. I'm so sorry and deepest sympathies to the family. I knew Dick through Howard Blair. The two had worked in the airline industry together here in Colorado years ago. We had many good times together. He would visit here in Colorado often while working in Guam for Continental. His humor will truly be missed. I last spoke with Dick early in July and he was at home recovering from a stay in the hospital. Although I haven't seen him for a number of years, I too am sorry I've lost a friend. Wish I would have had the chance to tell him goodbye the last time we spoke. I hope Heaven is ready for him! He's gonna liven things up!!! John Bentley redcanon@att.net
