“ *I just learned of Dickie's passing, December 12, 2017. We went to high school together and we were good friends. I have many great memories of him and I am sorry we lost touch with each other. I never saw him again after high school. He owned an old Chevy II in high school and he was in front of me and my old Buick one day leaving school. We were stuck in traffic and he would spin his wheels whenever he could move up. I kept trying to warn him that there was a cop behind me watching him spin out. When we finally cleared out of traffic the cop pulled him over and said he wouldn't give him a ticket because of how hard his friend behind him in traffic was trying to warn him. We laughed about that for a long time. I believe he was working at Kroger's then. I miss him. I am sorry for your loss.*

“ *Mrs Dunkle, David and Debbie and family: I am so, so sad for your loss of Dickie. I will never forget him singing Jesu Bambino at Christmas at First Methodist Church in Bluefield VA. I was very young at the time but I will always remember his beautiful soprano voice and I hope he is singing now. With deepest sympathy, Connie Bailey*
