“ *My sister and I attended church with mr. Richards and his wife. We never knew his name only that he was there most every Sunday and assisted someone whether it was driving a golf cart or helping another church member with her wheelchair each Sunday morning. We always guess that him and his wife had probably been together for many many years. We were right. Mr. Richards is an example of what every Christian should be. You never know when somebody is watching you and that you can be an example and a positive influence in their life and never know it. I'm very sorry for the family's loss but very comforted to Know that heaven has another angel.*
