“ Too all who was ever so lucky to have met, and knew Richard .. he was one of a kind loud hyper outspoken but also loving , caring and gentle.. he put others before himself even when he was sick his health came last and so sad that our father took him home for that .. I was there until his last breath and he knew I was I never seen someone go so peacefully it was almost beautiful but also so hard too let him go. Richard came long ways and he was ready to serve our father.. thank you everyone who knew Richard and loved my only brother.. may he RIP. ❤️
