“ I have had the privilege to work with Rob 8 years. During this time we became really good friends who confided a lot in each other. We always talked about our kids and grandkids. He brought wrapped shrimp (crack) for the girls in the office, he knew that we loved it. He was always helping out with computer issues (that he could solve). I could go on and on, so many great memories. I truly miss you around this office, it will NEVER be the same. :(Love and prayers to the family. Lavonda Lyles

“ Robert was a very kind man. Never did you see him without a caring smile on his face. A kind word or encouragement he always had to give, even if u didnt want it. This world lost a great man... But the heaven's received a truely special soul.. You are greatly missed. Keep the karaoke going with Sara till we can get there. We Love you
