“ I guess when I think of Robert (who was also called Bob) I remember of him as a little boy. Calling the windshield wipers dig-a-luks. He was a fisherman who always loved to fish since he was a a child. He was an only child and when he was born he was spoiled but that is because he was the only kid around at the time. Robert made some mistakes in his life but who hasn't. He loved his children and always enjoyed the outdoors. Being a bit older than Robert he thought of Shirley and I as aunts instead of cousins. He and Shirley's son Randy, they were like brothers. Robert turned his life around when Wilma came into his life. My prayers, for Wilma and his children. There is no more suffering, no more pain. He is at rest. Hold on to the memories. As long as we keep the memories alive they will never leave us. Robert, you are now with your dad, mom and the rest of the family. Tell them hi for me.

My heart aches for Roberts family! Though I hadn't seen him in years, I have fond memories of hanging out at his, and his moms house when I was in High School. He was quite a character, always making me laugh. RIP Robert!
