“ *I was named after uncle Robert, my name is Robert Jack King, he will be greatly missed. I wasn't as close to him as I wished I had been, when I was little I'd see him and aunt Judy time to time, and more after he retired and moved to Stratford. I'm constantly seeing and visiting with his son Chris, and will continue as long as I can. He will be reunited with aunt Judy and brother jack and his parents, love ya uncle Robert, I'll see you on the other side one, until then tell them all hello from me.*
