“ May you rest in peace in heaven from all the suffering you endured on this earth. I will never forget playing bingo with you and susan. You guys were always so nice and kind. I am so very sorry to hear of your passing. You are up there with god and playing bingo with him. May god bless your family as they are going through this tough time without you. My prayers are with you and your family. God Bless.##imported-begin##Christy C##imported-end##
