We always found something to laugh about. To be able to spend so many years with the love of your life is such a blessing. No words can express how deeply sorry I am that you've lost Roger. He was such a great man and well respected by everyone that knew him. RIP Roger.*

“ *I'm so sorry for you all. Roger was such a good man. I love you all and are praying for you. I remember when I was a kid and got an Easy Bake Oven for Christmas. I made Roger a birthday cake. He ate every bite and carried on how good it was. It probably wasn't very good but he would never have said so. He was so good to Mamaw and he helped so many in Wynnewood. He will be truly missed.*

“ I have known Roger and his family almost my entire life. There was never a man more interested in the well being of his home town than Roger. He was always quick to volunteer, whether it was the volunteer fire department, the Wynnewood Emergency Medical Services Board or simply decorating the Boulevard for Christmas which was a project that was started by Roger , Jo and Sonny and Barbara Hays. He never uttered a bad word about anyone in the years I knew him, but was always the first to show concern when he felt something was happening that was detrimental to our community. Roger was another of the original fathers of Wynnewood. We have lost another one to a better place. Rest in peace Mr. Musgrove, we will all miss you and your contributions to this town.  
Love to the Musgrove Family,

*Dear Jo and family. I am so sorry to hear about Roger. I have always had a soft spot in my heart for Roger.. He and I entered the 5th grade in Wynnewood at the same time.. My first husband worked for Buddy, so he and Roger got to know each other quite well.. Roger was our best man at our wedding. As you know Roger was always very polite and always friendly to everyone at school. I, appreciated you and Roger's friendship when I lived in Wynnewood 18 years ago. My prayers and thoughts are with you and the family. Melba McGee Niemuth*
