“ I am deeply sadden to hear of Roger's passing. I first met Roger at Bitburg A.B. Germany and can honestly say he was one of the good-guys. He looked out for his friends and always had support for them. Roger was a example of a simple hard working Air Force NCO who believed in people and his fellow NCO's and Airman had much respect for him. While most of us only gave church our time on Christmas or Easter I remember you always putting on a civilian suit and attending services. You were also one to volunteer your time for many things to help. I still have pictures of our ski trips down to Garmisch with you, Mike Mcgee and me, that time when the clutch cable on your Mercury Capri broke in Munich and I had to drive back to Bitburg and did not stop for red lights or stop signs, lucky it was a German Holiday. You sat in the back seat and covered your eyes many times, BUT we made it. I was at Luke and you were at Williams but did not know it. I got out in 1981 and moved to Mesa Arizona and was in Fiesta Mall and someone yells my name from across the food court and there you stood. You attended my wedding and I have you on video wishing us well. We shared a few good times and I will never forget. I am retiring soon and when i do I will salute you and my other good Bitburg friends, Bitte ein Bit my friend, God Bless you...RIP.
