“ *Ramona, Christi,David- i just wanted to say how much your family means to me. I am so sorry about Ron. He was such a wonderful man. I just happened to look at the paper and saw the obituary this morning and I wish I could have made it to the funeral,but I am writing this from work. I will always remember the trip we made to Six Flags and I won a huge teddy bear and without blinking Ron made the long hike through the parking lot to put in the car for me. I think all of you as my second family and i love you guys so much. Even though you will always miss him we know he is in heaven for sure.I will be praying for you all. Love, Marti Trett Wright*
