“ I am so sad to have just found out about uncle Roy's passing. Tammy & I have fond memories of staying with he and my aunt GG when we were kids. We slept in my beautiful cousin Lindy's room and helped gather eggs on their poultry farm. What we thought was fun, I guess was actually work;-) We will always treasure our time with them! It's funny how we remember certain things, but I can still remember the sound of their distinct voices.....fondly! Thinking of all of you during this sad time.
