“ Ruby was the very best neighbor we had ever had. From keeping us informed when we needed to attend a council meeting to dog setting our little Sassy. The dog would rather have lived with Ruby! I spent many hours on Ruby's back porch laughing with her. She was such a comfort last year during the loss of our parents and always so wise. She wanted to live out the summer and I am so thankful she made it. My sympathy to the entire family she was your family jewel and will be missed by so many. Peggy Nipper
