“ My grandpa was the most loving and caring man. He left this earth to be with the love of his life. There's so many things about you that I'm going to miss. But I know you will be watching over us from above. I know you're in a better place with no more suffering but it's so hard to say good bye. Give my Grandma hugs and kisses. I love and miss you both.

“ I have so many memories of Uncle S.L. I guess my favorite is him and Aunt Donna coming over to watch Saturday night wrestling. He would get so excited that he would sit on the back of the couch hollering at the TV . I will miss you , but your memory will last a lifetime. Rest in Peace Uncle S.L.
