“ Sadie had the best laugh. I could make her laugh till she told me to stop. Was I funny or she was just laughing at me 😊 When she would come to Calif to visit I always made sure I got to visit her a couple times. She was like a mom to me growing up. I lived with them for awhile and Pam & I could convince Sadie to cook for us when we got home no matter what time. She loved her kids and grandkids more than anything. Her opinions we're always heartfelt because she wanted the best for all she loved. I started going to church 16 months ago. I truly believe there is a heaven and Sadie was welcomed by Jesus with open arms. Sadie you will be missed by so many. Please watch over all of us with love and guidance RIP Sadie 🙏🏻 PS I will continue to be the comedian to Pam, Laura & Keith 💖
