“ I just found this, I'm sorry I was not able to make his Funeral. Got sick over the Christmas weekend.

Sam gave me a decade of awesome memories, being his "boat boy" was always an honor & he taught me quite a bit on each and every trip. I know it wasn't cheap for him to do that but it was greatly appreciated.

For me Sam was an awesome roll model. I will truly miss him. was looking forward to going fishing in the gulf with him this summer. Rest in Peace my friend.

I knew Sam years ago when I worked at his father's company... he was always a bright star and could light a room. He would turn a gray day into a better day with a smile.

“ God rest your soul Sam. I was just certain you would be here to watch our daughter Samantha & granddaughter Sadie accomplish so many more things in this life! God had other plans.....none of us know the moment or hour.....

“ I was blessed to have Sam in my life, and the world is a bit dimmer Place now.

Few people will ever know the amount help he has given to people, in some cases being an Angel on earth. Sam never asked or expected anything in return for his help, except you becoming the best you, you could become.

May God give us all grace and peace in the days to come.

Sam save a dip, a rod, and a Pappadeaux's Crab cake for me, when we meet again my friend.
