“ *My best friend. We were inseparable back when she lived here in Ponca City, OK. We were like sisters. We did many goofy things together and I can't believe on some of them that we even lived through it. She was a sweetheart, loved everybody. I have so many wonderful memories of our time together. I will miss her and I will see her again one of the days. I love you Sandy and will miss you terribly. All my hugs and prayer go out to your family. May the Lord Bless you and keep you during this time of grief and always.*
