“ *Monica, I did not know about your mom's homecoming until this morning. You are a wonderful person and I know that your mom was as well. I remember how special that you made your grandmother's funeral and I think about it every time that I go through Beggs. I recently shared your story about taking the candy from the store when you were a little girl and how your grandmother made you go back to the store. What a powerful lesson for all of us. Remember what Paul said "To be absent from the body is to be present with the Lord." Your mother's precious spirit is right there with God and she is surrounded by peace. Kay and I love you and will be praying for you.*

“ *Loved visiting with Sandra on the phone and on Facebook since we didn't get to see each other very often. She was always such a sweet person. I have known her since I was a kid. My prayers are with the family and friends. She is walking around Heaven with Jesus.*
