“ 4 years later, that thing you always wanted finally happened. I think you'd love them, especially Tim. I'm sorry that it took so long.

“ It's been almost a year since the last time I've seen you. I didn't know you'd leave us so quickly, and there was so little time to prepare. Even as I write this message up, I don't think I've fully dealt with the fact that you're gone. How can I? All I can say at this point is, I love you Grandma.

“ Please accept my deepest condolences for your loss. There is no greater sorrow than to lose a loved one in death. How thankful we can be for the hope given at John 5:28,29 where God will remember our dead loved ones and bring them back to earth to enjoy life forever. Ps 37:11,29. Soon God will wipe away all tears and death and pain will be no more. Rev 21:3,4 and Isa. 25:8. May you find comfort in these promises.
