

Shawn David Lawson

February 3, 1970 - September 27, 2022

Shawn David Lawson of Ada, Oklahoma was born February 3, 1970 in Ada, Oklahoma to Willie and Patsy (Savage) Lawson. After a brief illness, he went home to be with his Lord on September 27, 2022. Shawn loved the Lord with all his heart! He was a dedicated body builder, working out daily at 4:30 a.m. with two of his best friends. He was an amazing golf player, winning many trophies over the years. In 20--, he went back to school, earning his degree as a registered nurse. He was currently employed at Rolling Hills in Ada. He is survived by his two sisters, his son and daughter, four grandchildren, numerous nieces, nephews, aunts, uncles and amazing life long friends. He is preceded in death by his Father, Mother, sister and nephew. He was loved dearly, never met a stranger and put a smile on everyone's face with his quick wit and humor! If a person needed anything, he was there to help. To know him was to love him! Our hearts are broken but we look forward to the day we will be with him again! What a day of rejoicing that will be!

Celebration of Life will be 2:00 PM Monday October 3, 2022 in the New Beginnings Church east of Stratford.

“ *Shawn was a joy to have in my Nurse Group. He was very positive and always brought a smile to mine and others face. He will be greatly missed and will always be remembered for the way he treated others. His love for his sisters was amazing and I know that he appreciated them so much. I will always remember the loving, caring, and kind person that he was.*

“ Stephanie and Shellie,
There are not enough words to express the sadness my son and I feel over the loss of Shawn. We only knew him for two short years, but it seemed like he had been in our lives forever. I cannot imagine the grief you are feeling at this time. Shawn was an amazing man that always had a smile and a positive word for everyone he came in contact with. He ALWAYS spoke so highly of the two of you. I'm sure you know, but he loved you both dearly. The impact he has had on my son's life will never be forgotten. He offered encouragement, acceptance, advice, constructive criticism, and love to my son. He acted like a father to my son and they had a wonderful relationship. For that I will forever be grateful. This world is less without him. Fortunately, he and I discussed our Lord and Savior on several occasions and I know we will see him again one day. My son and I are praying for your hearts to be comforted.
