“ I have great memories of Sherry and I playing together when we were just small tykes and her mother would make us donuts out of biscuits. I always thought Sherry was so beautiful and always had that gorgeous smile. I am glad there is no more pain and suffering for her but sad that she is no longer with us. Pat Hilton

“ God first brought Carl and Sherry into my life in 1993, when Carl hired me to work at Bulldog Video. I was with them for 3 years or so. I had no way of knowing at the time, but He was laying the groundwork for something MUCH more important. In late March of 2014 God brought them back into my life. I began working for them again as Sherry's caregiver. Words really can't describe how much of an impact Sherry has had on my life. I am honored and humbled to have been able to help this sweet, sweet lady. They were so good to Michael and I when we were first married and just starting our lives together. I am so thankful I have been able to help them in return. Carl and Sherry are very, very special. Sherry was an inspiration, and this world is a sadder place without her. She loved the Lord, and she loved her family and friends. There is a huge hole in my heart today that will never fully heal. Sherry, dance with Jesus my sweet sister....and save me a seat at the party. Thank you for being you. I will love you always. Angie
