“ *Dear Shelia and family, I send my deepest sympathy to you. Sonny was such a good, sweet man. I know his passing will leave a huge hole in your world. Some of my earliest memories include Sonny and Patti at Granny Gentry's. We always had such fun. Mom and Dad loved him dearly. As did I.*

“ *Dear Sheila and family, I am very sorry to hear of Stan's passing. I worked with Stan for 15 years at Toys R Us in the baby dept., and he was such a hard worker and just a nice man. We went through a lot of ups and downs with that store, and I could always count on Stan to be there for moral support. He spoke of you, Lee, Matthew, and the grandbabies quite often. I wish we would have known about his funeral, I'm sure several of us would have been there to pay our respects. Our thoughts and prayers are with you and your family during this difficult time, and hope that you know how much we all liked and respected Stan. Sincerely, Cheryl Gyles*

“*Sheila, we would like you to know that you and your family are in our prayers and hearts. We want to also express our deepest sympathy. Please know we are very sorry that we were unable to be there for Stanley's funeral, but were called to Aunt Della's bedside in her severe progressive decline. Our hearts were very heavy that we were unable to be at both places. Although our presence was absent, our thoughts were with you, and our God's presence is surely there with you also. We continue to remember you and the family in our prayers. Our love and continued prayers, Uncle Wilson and Aunt Jimmye Weed.*
