“ *Starr was my 2nd cousin and can remember her dressed in very fancy Easter dresses, visiting her grandmother from California. I thought she was a little movie star. We played outside in the dirt. Later in life I got reconnected some, I found her to be a very hard worker and when you needed some assistance with anything, Starr is the one you could count on. She completed many chores for my Mom. She will be missed and comfort comes knowing that she is now in the arms of her Mother, comforted from all her pain and suffering. Sympathy for their loss goes out to all her family, may they find comfort and peace through the understanding of God’s promises. Special thoughts to her Dad, Don, whom adored her and she him. 🙏❤️ Phyllis*
