“ *Stephen was an amazing person with a heart full of love. When he loved you it was pure, unconditional & true! He was kind and loved life! My prayers and thoughts are with his beautiful daughters, Meagan and Casey. May you both know the love your Dad felt for you everyday, from now until you see him again.*

“ *Mark and I were privileged enough to have Steve sing at our wedding. When we were in High School I told him I wanted him to sing in my wedding some day and he told me he would, I'm not sure he thought I would hold him to that promise but he sang so great. I'm not sure a lot of people realized what a great voice he had. Steve always had such great stories and was always so hilarious!! I very very seldom got to see Steve through the past years but we will miss him terribly. He had such a special place in the hearts of so many!! No one else in this world like him.*

I knew Steve thru my marriage into the Blackburn-Ashmore family. He's one of the kindest and most considerate young men I ever knew. He loved his family and cherished friendship. You will be missed. Stan Rokusek

“ A few weeks ago Kim Ashley provided me Steve’s phone number so I gave Steve a call. We had not seen each other for many years, perhaps since graduation 46 years ago. Steve and I talked for over an hour reminiscing about the good old days at Wynnewood. Steve told me about making a block then watching Ashley score the winning touchdown against PV and the time he assisted Curtis Ozment and Jim Gardner in recovering some tires that were being used by one of their girl friends, My most vivid memories of Steve were listening to him sing, what a voice. Enjoyed the choir musicals especially when Steve sang the 50’s songs. The day after we talked, Steve called me back and we reminisced even more. I’m thankful Kim shared Steve’s phone number and I had the opportunity to catch up after all these years.
