“ I remember when Susan Moore still lived in Ardmore. We had some kind of pool party at her house. Susan said Joni you better put some sun block on your skin. You are starting to look like a red lobster 🙄 and all of us just rolled over laughing 😂 our asses off it was the funniest damn thing because we were outside all day long tanning and swimming in her pool... And no one ever expected her to say something like that it was just so funny... and you know of course my mom, run around all day saying I'm a red lobster all day long it was funny. That was one of the funniest things that I can remember that still cracks me up today because we had such a good time I will miss her rest in peace. 🙄 Susie you had a gift a gift of laughter that cracked us up. You will be dearly missed . 🤔🙄🙄🙄

“ *She always had the most beautiful smile and never met a stranger. She was a special lady that we all loved and a special mom to her kids.*
