“ Terry was my brother. I last saw him in 1972 when he and his wife had twin sons. That was the last time I saw him. He was a good man. I wish I could have seen him again.

Gina, do you know James Murphy and Terry. If this is the same Terry, I dated him for a while around 1985. Does he have a twin brother name Gary? If so, please contact me at my email address - susieqbrown@gmail.com. I really cared about him and was curious how he is doing.

I'm Terry's sister. To Carol please accept my sincere condolences about Scott and I hope Wendy is doing well. Please tell Eric I am sorry I had incorrectly informed him that his father wasn't a good guy but I was given false information that I regret telling him. Terry wasn't a woman beater but a gentle man. I'm sorry that I believed the wrong person. If you could just let me know that you are well I would appreciate it. My email is suehuber75@yahoo.com
