“ *Judy I can't begin to tell you the sorrow I felt in my heart when you called and told me your Daddy had passed. So many memories flashed through my mind and many brought a smile to my face. Terry had a good heart and we had many fun times together. Our families spent so much time together when you and Brent were growing up and in my heart I will always think of you as a daughter. I know the next few months will be difficult, but your family will be here for you!! Love you and will keep you close in my heart and prayers always!*
