“ *Uncle Ted, The world is your playground now, nothing can keep you down. Living was the hard part, nowf your possibilities are endless. Even though we will all miss you terribly, we know you are where you can now live your new journey to the fullest. Your smile and those beautiful eyes will never be forgotten. Most of all I will miss your laugh! So contagious and just to funny. I wished I could have visited you more often, life just is to busy. You were and still are my hero, your were my superman. I would brag on you all the time especially as a child and even more so as a adult. You could do no wrong in my eyes. I feel good knowing you will be with us all now and I have you in my heart.
