“ *My beautiful friend..... We should've written a book! What 50 years' experience in a devoted friendship can create. The memories are priceless.... from you on your hands and knees on the float plane leaving Vancouver to buying corn pads in Santa Fe! I'm telling your girls right now to be sure your bald spot is hidden, you have on long sleeves, and your toes aren't showing!! Love you for ever and ever ❤️. Thanks for so many beautiful memories 😊*

“ *Theda was one of the sweetest persons I've ever known. She was my beloved sister-in-law for 10 years. But she was my sweet friend until the end. I'm so glad we spent some time together last summer. She will be missed by everyone who knew and loved her. Diane Steelman*
