“ *I have so many clear memories of Tommy's love of music, his quick wit, his friendliness with everybody...Nobody made me laugh like he did. We used to build and paint model cars and airplanes, and Tom was the master. He was an artist. He taught himself drums, piano and guitar; he built a model V-8 engine; he told me to stay away from the bags of poi and ALWAYS, ALWAYS order extra tartar sauce for the mahi mahi. He was my big brother, he could do anything. I'll always remember and miss how loving he was.*
