“ I came to Wynnewood every summer while growing up. We were closer than most. There wasn't anything Bruce wouldn't do to make you laugh until you had tear in your eyes! Today, I have tears of sadness as I cannot be there to send my cousin to his reward I'll wipe away those tears and know he's in a much better place. No more pain, no more headaches, no more troubles of this world. I ask the universe to shower my family with love, replace the pain with his memories and allow them to find the peace they desperately need. Wishing you Much Love, Greater Peace, and blessings beyond measure

“ Bruce and my grandmother Ida Mae Hennesey- Wright were very close. They would argue everyday, Bruce would leave and say he's never coming back over there and when I wake up every morning Bruce would be right back over there having a cup of coffee at 6am every morning. Like nothing had ever happened and if he was a little late. My grandma would be looking for him. She wouldn't sit down until she seen him walking across the street. Grandma was crazy about Bruce and he was crazy about her. My daddy (Gerald aka chookie) was crazy about Bruce too, and so was I. Bruce is my cousin and I have great memories of him. He was a good person and would help anyone w/o expecting anything in return. That's the kind of dude he was it came from the heart.
RIP Bruce.....Sincerely Lyndell
