

Timothy Chad Lowe

August 13, 1976 - April 12, 2021

Timothy Lowe, son of Jimmy L. Lowe and Gayela Lowe Bick, passed away on April 12, 2021 at 10:54 PM in Ada, Oklahoma. He was born in Ada on August 13, 1976. Tim grew up in Wapanucka, Bromide and Jones, Oklahoma.

Tim served his country for 20 years in the United States Coast Guard, recently retiring in September of 2017. He served duty stations starting in Louisiana, Puerto Rico, OKC (at a teaching unit), New York City, Texas, Alaska and back to Louisiana. He had duties as a hazardous materials specialist, dangerous explosives handling specialist and ultimately became an investigator for the United States Coast Guard. Tim was NYC Maritime Officer of the Year in 2008. He received many commendations (numerous to mention) from various places. His highest ranking that he received was Chief Warrant Officer, after starting as an E1 from boot camp. Tim attended Oklahoma Baptist University & was a proud member of the Choctaw Nation Tribe. He served as the President on the Wapanucka School Board. Tim was a prankster and loved to joke around and he was affectionally known by Allison and her friends as "Tammy". He was a respectable, honest and kind hearted person who was a role model for so many kids as well as adult.

Tim was preceded in death by his father, Jimmy Lowe; brother, Nathan Lowe.

Those he leaves to cherish his memories are his mother, Gayela Lowe Bick; children, Dillon Lowe and wife Lyric, Gavin Lowe, Bryce Lowe and Parker

Lowe; brothers, Jason Lowe and wife Carissa, Jamey Lowe and wife Christan; fiancé, Kristi Green and children, Allison Green and Shelby Eason; grandchildren, Chandler, Colette and Clementine (expected end of August); and a host of nieces, nephews and friends who will deeply miss him.

A memorial service to honor and celebrate Tim's life will be held on Saturday, April 17, 2021 at 2:00 PM at the Wapanucka School Gymnasium.

“ I first met Tim in New Orleans after hurricane Katrina, as we both rolled with the punches with the daily chaos and response efforts. Tim was always pleasant, present and driven. Always caring of others first. Rest in Peace Shipmate.

“ I'm so sorry to hear this. Tim and I served together at CITAT in Oklahoma City, and he really took me under his wing when I came in as a fresh petty officer right out of "A" school. I learned a lot about how to relate material to people from Tim. Just a genuinely good dude, and my thoughts are with his family as they navigate these tough seas. Rest in peace Tim.

“ Me and Tim's lives overlapped in a few places. We served together in Port State Control in New York, then again in New Orleans. I also joined the Coast Guard from Oklahoma and we had that connection. He served his country selflessly and truly cared about those he served with. I'll miss you Tim.

“ Tim Lowe was a fantastic instructor and a better coworker. It was hard to see him retire and this news is a terrible loss.

“ *Tim and I were in the Coast Guard together in Puerto Rico from 1998-2001. He was a great young man to train and work with, and he was ALWAYS talking about his son, whom he loved very much! We would tell the Chief we were Going on a patrol, then go golfing at Dorado, or to the beach. Tim was part of the best group of people I eve worked with. He came to our Halloween parties and always had a great time. My wife remembers him as a very nice fellow who always played with our children.*

“ I am deeply sad. I want to express my condolences to Tim’s family. I met Tim back in OK city, OK at the old hazmat training. We hit it off right away, because professionally he knew his subject and taught it well, and personally because he had such a big heart (and I know a lot of people just throw that around but not this time). He took a group of us out to the indoor rodeo and it was so fun I still think about it and that was 20 years ago. I remember the conversation drifted to fishing and he was floored I had never heard of noodling (I can still hear his laugh). We always seemed to cross paths in our careers. In New York or TAD somewhere. Last time I was at Yorktown hanging out in the Chiefs mess with him and he was working on some sort of practical joke/scheme to either get someone in trouble or get someone out of trouble. For the life of me all I can remember is someone taking it too far and Tim reeling them in with his heart and laugh. I’ll be honest, this is hitting me really hard. Please take care of each other and if there is ever ANYTHING I can do or the chiefs mess can do, please do not hesitate to reach out to me/us and I will get the mess rolling. “ Tim was a great man. I know he loved his children more than anything in this world. In the few years we worked, hung out, and hunted together in Alaska he showed me the kind of man and father that I wanted to be. He will truly be missed.

“ Tim was a natural fit in our family. He was such a caring, funny and kind hearted person.

Tim was the true love of my cousin Kristie and I thank him for giving her those few years of happiness that she deserved. I will truly miss his smile and hugs. Thank you Tim for being a part of all of our lives.
